PROMETA

inşaat taahhüt cephe sistemleri san. ve tic. ltd. şti.

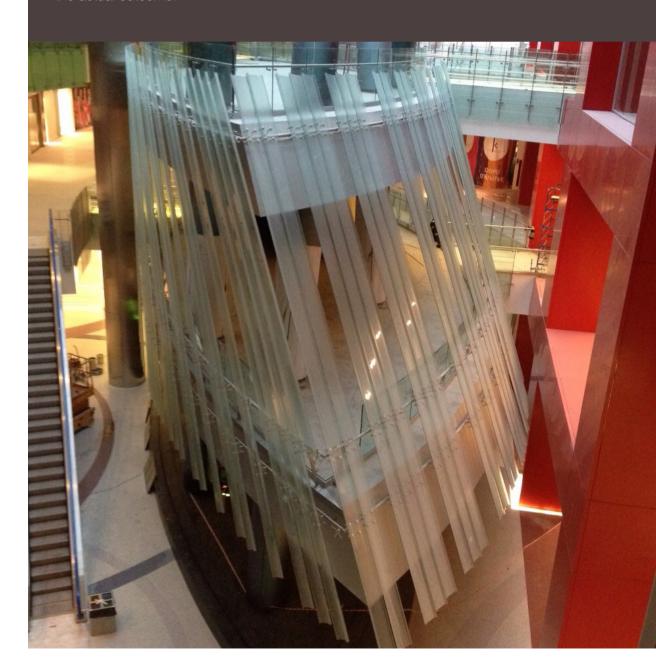

PROMETA

PROMETA is a specialist organization, principally in the supply and installation of aluminium windows & door systems, perforated aluminium & steel facade claddings handrails, balustrating systems, column coverings, canopies and other architectural and decorative materials for commercial and public developments.

We are specialized in aluminium and stainless steel fabrication work. We also work with other complementary materials such as glass, aluminum, marble, stone, wood, etc.

We take great care to construct 3D computer renderings as CAD drawings to provide an initial model of the product emphasizing the technical and visual qualities beforehand. These models are carefully examined and discussed with our customers to give an effective visualization of the product before realization and to ensure the effectiveness of the actual outcome.

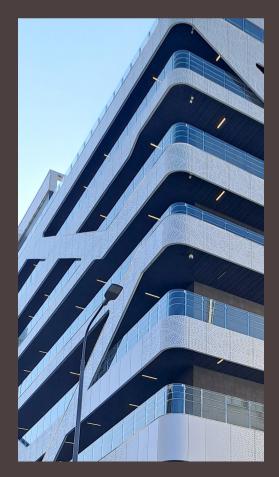

- We produce & install;
- Perforated Aluminium & Steel Facade Claddings
- Aluminium Windows & Door Systems
- Cable & Point Fixing Glass Facades
- Glass Railings and Stainless Steel Handrails
- Column Coverings
- Glass Canopies
- Stainless Steel, Aluminum Balustrates and Handrails
- Decorative Metal Works
